

DYNAMIC POWER STEERING

Dynamic Power Steering (DPS) provides a lifetime warranty on all rack and pinion assemblies, pumps, gearboxes, and coolers within the following parameters:

1. DPS will offer a replacement rack and pinion assembly, pump or gearbox as deemed defective by DPS. This includes all parts listed above including internal parts and fittings.
2. Exclusions include:
 - a. Limited to original purchaser
 - b. Commercial or Off-Road Use
 - c. Modifications to Original Equipment including but not limited to suspension, steering, wheels, tires, transmission, and engine
 - d. Use of non-OE approved or recommended power steering fluid
 - e. Any product that has been disassembled or modified in any way
 - f. Installed on a vehicle not intended by product cataloging provided to DPS
 - g. Installation on a system not properly flushed during repair or replacement process
 - h. Any vehicle involved in an accident, flood, or other damage due to external circumstances.
3. Proof of Purchase must be supplied to confirm eligibility for warranty. Numbers on unit must match purchase records maintained by DPS at time of purchase
4. Return shipping to DPS is the responsibility of the purchaser
5. Kits: In instances where the part was sold as an item in a kit, only the parts listed above are included in the warranty.
6. Labor Costs: Cost of labor associated with install or removal of warranted parts is NOT COVERED by DPS. Labor costs are the sole responsibility of the purchaser and there are no expressed or implied warranties for any labor performed.

This warranty is in lieu of all other warranties implied or expressed, including the implied warranty of merchantability and fitness for purposes which are excluded above. DPS shall not be liable for damages (incidental and consequential) caused by or resulting from the operation, failure, use, or defect of any rack and pinion assembly, pump, gearbox, or cooler.

For information regarding the warranty process, send information including name, part type, where purchased and a brief description of the issue to info@dynamicpowersteering.com
